- **How do I prove I have done the 165Km?**

As part of the challenge registration, you will be asked to setup a Facebook Fundraiser, here is where you can post your progress and any updates. These pages are linked to us and we will be able to check this for your progress. Please note this is the **ONLY** way we can check your distance covered; we **CANNOT** use the group.

- **Can I do more than the 165Km?**

Yes of course, walking or running 165Km over 31 days will be a challenge for some but not everyone! If you feel you want to challenge yourself to do more you are more than welcome to do so, but we will only be tracking the 165Km! Please remember to only do what you can and do not overexert yourself. Only cover a distance you are comfortable with and do not push yourself beyond what you can do.

- **When will I get my Welcome Pack?**

After you register using the link on the Facebook Group **AND** you create your Facebook Fundraiser, you will get your pack in the post shortly afterwards. We send these in bulk, so your registration date will not be the same as the postage date. Please note there are also delays with an Post so post may take longer than normal.

- **Is there a minimum you have to raise in this challenge?**

No there is no minimum needed to be raised for this distance challenge. We ask that you raise as much as possible to make sure the challenge can support as many patients & families that are affected by cancer in the Mercy Hospital as possible.

- **Do I have to create a fundraiser on Facebook?**

Yes, you do. For us to be able to track your progress we use Facebook Fundraisers. If you do not want to share your fundraiser with your family and friends, you can just use it to track your distance covered and donate yourself to your fundraiser. If you are not creating a fundraiser you will need to reach out to us at challenges@mercyhospitalfoundation.ie.

- **How do I edit my fundraiser?**

To edit your fundraiser, just open it up (you can find your fundraiser [HERE](#)) and click the 'edit' button on your cover if you are on a laptop, or the 'Edit' button at the top of your fundraiser under your profile picture if you are on a mobile.

- **Can people not on Facebook donate to my Facebook fundraiser?**

Unfortunately, Facebook does not allow people to donate without a Facebook page. They can transfer the funds directly to you and you can donate on their behalf, or if you like you can create another fundraiser (iDonate or JustGiving) for your non-Facebook Friends. Please note that **ONLY** Facebook Fundraisers are being used to track your distance.

- **What do I do if my fundraiser ends?**

If you have set up your fundraiser using the links in our Facebook Group, it won't end until the 15th of November, if you have manually created it, it ends 2 weeks after your creation date **unless** you change it. If it has ended, you cannot re-open it, so you just need to create a new fundraiser and let us know so we can see where you are posting your distance.

- **Can I get a sponsorship card?**

Of course, you can request one either on the Facebook Group or by emailing challenges@mercyhospitalfoundation.ie. Please note if you request a sponsor card you **MUST** return it even if you do not use it.

Of course, we are delighted to have more people join the team, just guide them to find the links in the Announcement section of the fundraising group just like you did and once they register and set up their fundraiser, we can send them their Welcome Pack.
